Jack,

The meeting will be held at Potomac Yards South building, 2777 S Crystal Dr in Arlington (Crystal City). We are across the street from the Renaissance Marriott hotel, a useful landmark if you are giving directions to a taxi driver. All attendees will need a driver's license and Camilla will need a passport since she is not a US citizen; I've already forwarded her info to the security desk so check in should be smooth.

Elizabeth Milewski will be chairing the meeting for OPP, so please contact her if any questions arise; her office phone is Ex. 6 - Personal Privacy I'll be in the office until Wednesday noon, but then out until the 16<sup>th</sup>.

We will be meeting in room S-8100 at 3pm and, of course, you will need an escort to take you to the 8<sup>th</sup> floor. Please call Elizabeth on arrival; our front desk in BPPD is 703-308-8712 in case you need it. I've reserved the room until 4:30 pm so there is enough time for discussion.

A call-in # is available: Ex. 6 - Personal Privacy believe FDA-CVM will be calling in. I'll send an attendee list next week as it firms up. Do you plan to have legal representation present? If so, we will need to have our OGC present as well.

My apologies for being out of the office next Thursday, but I look forward to learning of the discussion and I know you will be in good hands!

Chris
